

Today is a *fresh* new day.
New things to do, *new* things to say.

Yesterday is gone, it's over and done.
Today is a *fresh* start, new *challenges* to be won.

Don't waste time *worrying*,
about the *mistakes* of yesterday.
There's *fresh* chances to do what needs
to be done *today*.

Moving on up!

Amazing!

Time to think.

Unacceptable.
